

Dear Neighborhood Friend,

The Mary Helen Guest Elementary School Parent Teacher Association (PTA) represents over 300 families, which supports K-5 students, teachers, and their families. Over the last few years, we worked diligently with parents, students, and staff to find creative ways to work toward our goal of raising \$30,000. Through personal donations, events at our school, and traditional fundraising, we're proud of our fundraising efforts so far but we recognize there's one group in our community that we are trying to do a better job of tapping into – YOU! As a business owner in our community, your generosity can have an impact for years to come.

We need your help. We're humbly reaching out to area businesses with a request for donations. Our hope is to reach our annual fundraising goal before January of the current school year. There are a few different ways to donate to our PTA:

- Sponsor an Event
- Financial Donation
- Gift Card / Gift Basket Donation for our Silent Auction or Raffle

So why should you help Guest Elementary PTA? There are so many reasons, like:

- We're a 501(c)(3) organization, so your donation is tax deductible!
- Your business gets exposure to over 300 school and staff families.
- Our families are loyal to businesses that invest in our school.
- Helping school children and the community is heartwarming and rewarding!

Not convinced? **Get to know us!** We welcome you to attend any of our PTA meetings – we hold them monthly at 6:30pm at Guest Elementary on the first Monday of each month.

Learn more about our PTA by visiting [mhquestpta.com](http://mhquestpta.com).

We thank you, in advance, for considering us as part of your charitable giving program. If any questions arise, please contact our PTA board at [mhquestpta@gmail.com](mailto:mhquestpta@gmail.com). If you'd like to make a donation of any kind, please fill out the form and send it back to [mhquestpta@gmail.com](mailto:mhquestpta@gmail.com).

Thank you, again, for your consideration.

In Gratitude,  
Mary Helen Guest Elementary PTA
